BAREFOOT SIZING SHEET

check your print  
size with a ruler

#### INSTRUCTIONS

1. place your foot on the sheet, your heel on the bottom line
2. for optimal barefoot feel add 10-15 mm of extra space to the result
3. if not sure about the width, draw the outline of your foot, then measure the widest point, and compare with our sizing chart on our website
4. repeat for your other foot, feet are rarely exactly the same
